# Sheik Mahammad Naveed

*I'm seeking a challenging position in a reputable organization that will allow me to enhance my learning, knowledge, and skills while making a valuable contribution to the company's success. I graduated from MIT Manipal with a B.Tech degree in CCE. I am technologically adept and have a knack for quickly grasping new concepts. Additionally, I possess excellent communication skills and have a keen interest in project management and development. I thrive under pressure, maintaining a calm demeanor, and I have a strong ability to work effectively in a team and manage time efficiently.*
